Within this survey parental comment and demand appears focussed on further development of more informal/drop in services, particularly focussing on request for crèche and stay and play sessions to be extended or increased in frequency. There is no evidence to suggest that these requests were linked to a potential return to work or training. Therefore, these suggestions will be responded to within individual children's centre development plans and not within this Sufficiency Assessment.

However, when asked in which way children's centres overall have improved their lives, many parents responded by stating that access to children's centres had given them an opportunity to undertake training which would aid their future employment. These figures (% of those who responded to the question) are shown as follows:

	This ward		Borough wide	
	number	%	number	%
Given a chance to train	15	11	287	20

## Ward summary and recommendations

In 2008 the average figure for people of working age in employment in the Borough of Rochdale was 69.3%. In determining the likely demand for childcare in each ward we have therefore assumed that this % figure of the total children in the ward would be from families who may require childcare.

We are aiming for a child to place ratios for each age range as follows:

0 - 5 years	1 place for every 8 children
3 - 4 years (free entitlement)	1 place for every child
5 - 11 years (term time)	1 place for every 8 children
5 - 11 years (holidays)	1 place for every 16 children

Using these figures for the age ranges below (with the exception of 3 and 4 year old's who are in receipt of a universal free entitlement) gives the child to place ratios detailed below

Age Range	Total Number of children	69.3% of total children	Childcare places in ward	Ratio children to places	% coverage
0 to 5 years	953	660	520	1.27	78.74
3 to 5 years (free entitlement)	399	399	346	1.15	86.72
406 (101%) children resident in this ward access their free entitlement.					
5 to 11 years (term time)	1067	739	44	16.81	5.95
5 to 11 years (holidays)	1067	739	44	16.81	5.95
